ORDER NO.NRHM/822/F1/2012/SPMSU DATED 27.11.2013

As per the financial guidelines formulated by Government of India, the State and district societies will have to follow specific rules and procedures as per state Government procurement rules. The Store Purchase Manual has been amended with effect from 21st June 2013 vide G.O. (P) No. 03/2013/SPD dated 21-06-2013.

As far as the condemnation of various electronic equipments & other assets in State & District Health & family welfare Societies are concerned there is lack of uniformity since certain assets had been supplied from State Society. Government has issued revised order for condemnation vide GO (Ms).No.63/2013/H& FWD dated 23rd Feb.2013

As adopting of the revised Store Purchase Manual will be in the interest of NRHM and for doing the condemnation of the irreparable electronic & other assets under the custody of both District & State Societies, the 19th EC held on 04.10.2013 has decided to adopt the store purchase Manual and Government Orders on Condemnation in NRHM

The matter has been examined in detail and Administrative sanction is hereby accorded to the DPMs to adopt the store purchase Manual and Government Orders on Condemnation in NRHM
